Banned/Restricted Items

- Penknives & Lock knives
- Aerosols are banned from all camps and we do not want these used in the confined space on the boat.
- Please use roll on instead.

Please note that storage space is limited on the boat so try and keep your kits size to a minimum

Tick items off on this list when you pack your kit then you won't forget anything

If in doubt ask a Leader

The boat has limited 12 volt supply for charging phones & games. There are no mains 240 volt sockets available

Please remember that you are sharing your boat with Leaders and need to keep it tidy at all times. Smelly children won't be appreciated. Make sure you have adequate clean clothes for the week and wash every day.
